EDITORIAL

The *Journal of the Hellenic Institute of Egyptology* (JHIE) is jointly co-published annually, in one fascicle, by the HELLENIC INSTITUTE OF EGYPTOLOGY (Athens, Hellas), by ʿAIN SHAMS UNIVERSITY (Cairo, Egypt) and by the ARCHAEOLOGICAL SOCIETY OF ALEXANDRIA (Alexandria, Egypt). The aim of JHIE, based on the principles of Humanism and the desire for International Synergies and collaboration between colleagues of different nationalities that characterise both the Institute, the Society and the Department of Tourist Guidance of the Faculty of Arts of ʿAin Shams University, is to provide a modern scientific *forum* for the discussion of a pleiade of aspects, notions and facets from various domains of Egyptology, Archaeoastronomy and Archaeology, with emphasis on the religion, funerary texts, language and scripts, Epigraphy, Papyrology, Sciences (Astronomy, Mathematics, Botany, Chemistry, Architecture, Materials and Technology, & c.) of ancient Egypt, as well as Helleno-Roman Archaeology related to Egypt; furthermore, Coptology is also well represented. Interdisciplinarity, and the harmonious interaction between various scholarly fields and disciplines, are highly desirable, as is also a general emphasis on the collaboration of countries all over the Mediterranean Basin, encompassing studies of individual civilisations (in particular those related to ancient Egypt and Hellas), as well as common elements, contacts and interactions among them. The journal is published, handled and distributed in Hellas and Cyprus by EURYDICE BOOKS (Athens, Hellas). Worldwide it is handled and distributed by HARRASSOWITZ VERLAG (Wiesbaden, Deutschland). All payments and subscriptions for Hellas and Cyprus are due to EURYDICE BOOKS, while all other international payments and subscriptions are due to HARRASSOWITZ VERLAG, and not to the Institute, neither to the Archaeological Society, nor to ʿAin Shams University.

JHIE is based on the highest standards and accepts — after peer-reviewing — original papers from all authors, without any discrimination between nationality, religion, gender or sexual orientation. We publish the work of international scholars, while also providing a virtual *forum* for the finest Hellenic and Egyptian scholarship; thus, we welcome original articles dealing with the aforementioned thematologies. Articles discussing different cultures will be considered for publication if they are clearly relevant to the ancient Mediterranean World (specifically to Egypt and Hellas), including ancient Hebrews, Phoenicians, Mesopotamians, Assyrians, Persians, Babylonians, Hittites, Arabs, North Africans, & c. Information about new egyptological, archaeological and archaeoastronomical discoveries and current scholarly events is also welcome (in the form of very short notes). Publishers are highly encouraged to send review copies of their books in the relevant fields (please see *infra*).

JHIE is a double-blind peer-reviewed journal. Articles must not have been published in, or submitted to, another publication at the time of submission and must be original. All submitted papers are firstly very carefully read by at least two Editors of JHIE, who will give a feedback to the author(s). Articles (excluding book reviews or research reports) are afterwards reviewed anonymously by at least two Referees in their specific field, appointed by the Executive Editors. The whole peer-review process, as well as any judgment, is based on the quality of the article, its originality and the research conducted therein (only). In cases where the reviewers recommend changes in the manuscript, authors are requested to revise their articles. In the rare case of unreasonable claims by a reviewer, the Executive Edi-

tor in Chief deserves the right to agree with the author not to accept such claims. The final approval of articles lies at the Executive Editors and at the Editorial Board. Throughout the whole peer-review process, articles are treated confidentially. In case of (alleged or supposed) interest conflict, misconduct or plagiarism of any party involved, the Executive Editor in Chief and/or (if necessary) another Member of the Editorial Board) shall pursue the case and should the situation of taking action arise, shall notify the respective party. The List of the Editorial Board can be found printed in the journal and also at its official web-site. We collaborate with more Colleagues worldwide for specific themes and issues. Finally, in order to make the double-blind peer-review process more transparent and comprehensible, we shall also publish occasionally in our web-page the names of some referees; for this, see <https://www.jhie.gr>. All authors whose papers have been accepted are encouraged to follow carefully and precisely all our *Editorial Guidelines*, otherwise their papers will not be published! The most preferred languages for publication are English and French however, occasionally we do also accept papers and short reports written in German, Italian and Spanish.

The current issue of JHIE is a special one and is dedicated to the memory of the unforgettable Dr Nadine GUILHOU-AMBROISE. That is why its size is considerably bigger, and its price is 100% higher. In April 2022 occurred the unexpected, unfair and untimely loss of our sisterly friend, highly esteemed Colleague and former Secretary General of the Institute: Nadine GUILHOU, one of the most eminent French Egyptologists, as well as an assisting friend and lecturer for several Egyptological Associations in France, an erudite scholar and a very nice person, lost her life in a tragic and fatal accident inside her own garden ... Our sorrow will remain *in æternum* and our efforts to present an excellent *Memorial Festschrift* to honour her personality and scientific work have been particularly laborious and fruitful. More than 20 scholars are participating with original papers and studies, dedicated to her in loving memory! Moreover, the current issue contains a CV and a List of Works of our precious Nadine. It also features a short section with Chronicles on our activities, but no book reviews. I am, indeed, grateful to all participants and supporting friends and Colleagues, mostly to Prof. Dr Bernard MATHIEU, who helped for this publication much more than *certain* others ... Both Publishers of this book are also to be very kindly acknowledged.

All communications, manuscripts, disks and books for review should be sent to the Executive Editor in Chief **Dr Dr Alicia MARAVELIA (JHIE)**, c/o EURYDICE BOOKS: 10, Polytechniou Street, GR-10433, Athens, Hellas; or alternatively, c/o HARRASSOWITZ VERLAG: Kreuzberger Ring 7C-D, D-65205, Wiesbaden, Deutschland. For e-mails and questions, please use the following alternative addresses: info@hie.edu.gr | editor@jhie.gr | info@eurydicebooks.com | verlag@harrassowitz.de. For matters of payment and subscriptions, please do communicate **ONLY** with the Publishers (EURYDICE BOOKS for Hellas and Cyprus and HARRASSOWITZ VERLAG for **all other** countries), as above, NOT with the Institute, the Society or the University; in that case, for e-mails and questions, kindly use **ONLY** info@eurydicebooks.com and verlag@harrassowitz.de. May I thank, once more, all participants wholeheartedly for their contributions and fellowship in this «viaticum novum» of our scholarly journal.

EDITING GUIDELINES FOR AUTHORS

All authors are kindly requested and expected to follow precisely the Editorial Rules. Papers of authors who do not follow the *JHIE*-Rules will NOT be published, even if they are accepted by the Referees! We kindly ask you to respect this and follow the rules, trying to save as much time as possible, for both parts, in both unnecessary labour and unnecessary exchange of e-mails.

1. Use EXACTLY the bibliographical reference pattern that is shown at the end. All authors should study carefully the pattern, in order to understand how they must present their bibliography. Everything they may wish to ask can be found here. There will be no further discussion, should any author has not followed these guidelines, and his/her paper will not be published!
2. No unorthodox, racist or strange political statements are permitted and terminology should be politically correct, without discrimination between men and women or any other «racial», religious or sexual discriminations! For instance DO NOT say «man/men has/have done a lot», but rather prefer *humans have done a lot* or *humanity has done a lot*, & c.
3. Use throughout *Hellenic* instead of «Greek», *Hellas* instead of «Greece», *Hellenic language* instead of «Greek language». Also, kindly, use throughout BC and AD.
4. Please insert ALL your figures and captions in your papers, exactly where you want them to be, but DO NOT insert any pagination numbers! Everywhere the space must be single (in the main text, in footnotes, in headers and footers). Also indentation and spacing must be zero (0) everywhere.
5. Use ONLY the following quotation marks « », instead of " " or ' '. The latter may be used ONLY inside the former for a double quotation. Use the normal apostrophe ', not this one '!
6. Use big hyphens for closely related words, e.g.: world-wide, NOT «world-wide». Also for independent sentences inside a phrase use the biggest hyphens, i.e.: blah blah blah blah —blih blih blih blih— blah blah blah ... For page references, use only normal hyphens, e.g.: 4-5, 12-14, 99-132, 202-214, 1023 ff, & c. For lexica (e.g.: *RÄRG*, *Wb.*, *FCD*, *LÄ*, *LGG*, & c.), use e.g.: art. «Nüt» or s.v.: «Gēb».
7. Use throughout Gardiner's transliteration scheme, e.g.: *iw pr.n.f r Kmt*, instead of *jw pr~n=f r Km.t*.
8. Use only FOOTNOTES, never endnotes! All footnotes must be normal, not very extended, and the references therein must follow the pattern HORNUNG 1999: 32-45 or BRETAGNON & FRANCOU 1988: 310, & c. So, the name of the author must be in SMALL CAPITALS and the full reference can be found ONLY at the end of the paper, in the Bibliography. Use the ABC formatting function via WORD 2003.
9. Please use 12' fonts' size for the main text, 10' for the footnotes and for figure-captions, but the bibliography at the end of each paper must be 9' finally 15'/13' must be used for titles/subtitles of the papers/sections. Use PALATINO LINOTYPE fonts throughout, in the main text, in captions, in footnotes, in headers and footers! We do not want to deal with any other fonts except for special texts in transliteration (e.g.: Hellenic, Coptic, Hebrew, Arabic, & c.).
10. Please send *.doc files, NOT *.docx! Latest version of MS WORD to save files is 2003, NOT later!
11. Please use a template of 2 cm margins on all four sides (left, right, bottom, top) paper size A4, headers and footers at 1.25 cm, different odd and even. Kindly, do not forget to include a short **Abstract** and at least **7-10 Key Words** at the beginning of your papers!
12. All papers must be **12 pages (maximum)** with figures, altogether. Only **KEY-NOTE or specially invited papers can be ~ 20 pages maximum** with figures altogether! All submitted papers **must be original and not published already or be under publication in any other journal!**

JHIE appears annually every December. Deadline for papers is end of July.
